**SAVANNAH COUNTRY CLUB**  
501 Wilmington Island Rd. · Savannah

**\$150**

EARLY  
REGISTRATION

**\$175**

AFTER  
AUGUST 11TH

### Summary

The goal of this two day interactive workshop is to increase participants' knowledge and skills in providing clinical supervision by addressing supervision principles, models and techniques for group and individual supervision as well as ethical, legal, relational power, cultural, individual and organizational influences. The workshop will help participants develop new, and enhance existing, skills. This workshop will increase participants' performance in providing supervision to varying supervisee populations, within differing areas of service delivery.
