

12 Steps and Next Steps: Bridging Connections to Improve Recovery Outcomes

■ A Gathering of PHP/IOP/SLE Providers & Clinicians

September 22-23, 2022
at Willingway · 311 Jones Mill Road, Statesboro

If you are affiliated with PHP/IOP/SLE levels of care for addiction and mental health — this is an event you have to attend! Join us for this 2 day event to bridge continuums of care together as well as shining a light on 12 step recovery, family recovery, treatment and peer support. We will enjoy a time of social interaction, a continuing education opportunity, and a multi discipline panel discussion of best practices for bridging our connections to improve recovery outcomes for the clients in our continuum of care.
