MARCH 2025

CEO Corner

Spring and Homecoming!!!

It's an exciting time at Willingway in so many ways. Our outpatient programs in Augusta, Georgia, and Jacksonville, Florida are beginning to bloom. We are exploring a new off-site PHP program that will allow patients to step down from inpatient services at Willingway or for new patients to be able to come directly into sober living and get the outpatient services they need. Spring certainly is a time for growth and renewal.

Most importantly, we are in the process of planning for our annual Homecoming event. Last year we returned Homecoming to its historical date in April, and we had an amazing turnout. This year, Homecoming is scheduled for April 25th and 26th. We don't want to spoil all of the surprises in store for this year, but it's shaping up to be a fun and engaging event with some new activities planned. There are a number of Willingway staff helping to get us ready. If you haven't already done so, sign up now. There are many ways to do so. Come back and reconnect with staff and alums. Bring the family and rejuvenate your spirit. We look forward to welcoming you back to where so many began their journey. I hope to see you there.

Continuing Care Community Support Groups

Continuing Care provides a supportive and welcoming community to people in recovery from addiction, their family members, and their close friends. It is a safe place to land, to talk about your experiences, and to find ways to become connected to 12-step recovery. Continuing Care support groups are not a substitute for AA, NA, or Al-Anon, but they offer a point of connection designed to give the returning client direction for finding and engaging in local recovery organizations.
